How to Attempt the Test:

- You can attempt the test either at your own convenience or within 20 minutes.
- At your own Convenience: In this way, you can note down the question and write it later. Just start the exam, note down the question and close the browser or App (without clicking the 'End Exam' button). After writing the answer, you can resume the test later (before deadline), upload the PDF and click 'End Exam' button. In case you end the exam by mistake, call @6913007777 to delete the attempt for fresh attempt.
- For the smart folks, impromptu time-bound attempts are always beneficial. Just start the exam link, decode the question, write the answer, scan your answer sheets and upload within 20 minutes of starting the exam.

How to Prepare your Answer Sheet:

- You can use either **A4 Size paper** or use UPSC Answer Writing booklet **OR** use Answer Writing Booklet of Lucent IAS (PDFs available in the portal).
- Note the Lucent IAS Exam booklet is exactly of the actual size/dimension like the real Mains exam in UPSC/APSC (not of A4 size as provided in market) and contains exactly 64 pages. If you wish to buy these, visit our website: <https://lucentias.com/books/saadhana-series-apsc-mains-test-booklet/>
- Remember to use: 2 pages for 10 marks and 4 pages for 15 marks questions. Strictly adhere to word/page limit.
- If you use standard booklet/A4 size paper, keep enough margin on both side for feedback.
- For scanning, use **Adobe Scan** or **Kagaz App** for Quick scanning. Answers submitted as PDF files will be evaluated. Image format (JPEG/PNG) will not be evaluated.

About Evaluation or Feedback:

- Although standard time for return of evaluated copy is 24 hours, as a very significant number of students have enrolled in this course, the estimated time for evaluation can be upto maximum 72 hours.
- For some candidates, our faculty/evaluators may want to speak directly over call for detailed feedback. In that case, the office will arrange a call at a time convenient for both the student and the teacher. Specially for those students who need a lot of feedback in their answers, it becomes easier for our teachers to talk directly and convey the same.
- In case of any troubleshoot submitting the answers, call: **6913007777 / 7099006849**
